Description

Villa Rene, is cited on a hilltop above Agios Stefanos Beach, possessing an amazing panoramic view of the Aegean Sea and the neighbouring islands, while offering a magnificent view of the port and town of Mykonos. The architecture blends in with the local Cycladic lines while the outdoor area is a picturesque scene to enjoy the unique Aegean sunset while drinking cocktails by the infinity pool, which is projected out of a 48 meter cactus decorated stone.

The interior of the house offers spacious living areas with sea view while the master bedroom is solely located on the upper floor enjoying privacy and the magical views. The guesthouse is independently located just off the pool area. All rooms enjoy amazing views of the Aegean blues and the blossomed bougainvillea, olive trees and a selection of traditional Greek herbs.
