Description

Situated only 200m from the centre of Franschhoek, this wonderful country retreat features four individually designed luxury villas with private pool and butler services.

This traditional lodge " La Grange" is inspired by the elegant textures, solid woods and distinct fabrics of a colonial highlands lodge. Featuring 3 spacious en-suite bedrooms for up to 6 guests, an expansive living space, with fireplace, fully equipped kitchen, a dining room and terrace with BBQ facilities manicured, private garden.

The Grange loft upstairs is in the roof space with 4 single beds and is only suitable for children up to 16 *(extra)*

La Grange Lodge is a welcoming retreat.

The warm ambiance that make up the interiors of the thoughtfully converted barn have been carefully selected to reflect the seasonal varieties of the surrounding orchards and vineyards. In turn, Kayla interiors are infused with stylistic elements reminiscent of a Victorian farmhouse – while the double-sided fireplace, private pool and large, plush furnishings, ensure that guests receive nothing less than a luxurious stay

A Continental breakfast is included and on request, a private chef can be arranged for a surcharge. The villa is within walking distance to restaurants and cafés.

The Domain offers a concierge service, airport shuttles (*on request, extra charg*e) and free Wi-Fi. Wine on arrival, evening drinks and canapés, selected drinks, transfers into Franschhoek Valley and use of the bicycles are all included within the rates.

The property is situated only 200m from the centre of Franschhoek and Cape Town International Airport is 78 km away
