Description

Villa Kolpos is a 5-star luxury villa overlooking the bay of Chania in Crete and embraces the sea like no other in the area. It is one of the very few to offer direct access to the sea over a private pathway leading to the rocky coastline. Designed by a sea lover, 3 of the 4 master bedrooms and both living rooms assure breathtaking panoramic views over the turquoise bay.
From the minimalistic architecture to the quality of the construction and the exclusive interior design and furniture, no compromise has been made. This luxurious villa is clearly the ideal retreat for a demanding clientele, as it has primarily been designed as the lifetime dream of its owner, not as a rental estate.

The villa has 4 bedrooms with bath or shower, guest bathroom, WC, 2 living rooms and a fully equipped kitchen.
On the first floor, there is an open plan living room, the dining room and the fully equipped kitchen with direct access to the terrace and an outdoor pergola, which can be used as a dining al fresco with amazing sea view. On the same floor are found three bedrooms with en-suite bathrooms.
One second living room located on the lower floor, equipped with two sofa beds can accommodate 2 extra persons while designed to give guests privacy. The living room has a plasma TV and a Playstation with a selection of games. The fourth bedroom is found on the same level with a double bed and a shower.

Enjoy a cold drink on one of the terraces, dive into the warm water of the infinity pool 10 x 5 m or simply relax on the "dream area" halfway down to the sea. If you prefer the fresh sea to the cosy pool, take the rocky pathway to the sea and enjoy a salty swim in complete privacy.
Dine on the terrace and enjoy nothing else than some tasteful local wine, the gentle sound of the waves and the romantic sunset... apart of course from the valued company of your family or friends. There is a lawn to the back of the house which allows a resting place in the shade.

Don’t miss the opportunity to visit the excellent sandy beaches of: Tersanas, Kalathas, Marathi & Stavros 4 km (famously known from the movie “Zorba the Greek”) all of them are found in short driving distance.
