Description

A contemporary chalet for large families, unobstructed view of the mountain and the 3 Vallées slopes opposite. These are the major assets of the Manara Chalet. Its large bay windows open onto the wooded landscape, with no construction obstructing the exceptional view from the interior and the terrace. Located in the Mussillon district, the chalet benefits from its immediate proximity to Méribel centre, its snow front and its ski schools.

The chalet is spread over four levels and can accommodate 12 people with its 6 en-suite bedrooms. The first level has a sauna and indoor Jacuzzi, which are welcome after skiing. Five bedrooms are located on the second level. The third level has a large living room with a fireplace and an open kitchen leading to the dining area. The pure and contemporary style, with white predominating in the spaces, leads the eye towards the outside views of the mountain. A sixth bedroom is located on the top level of the chalet.
The centre of the resort of Meribel is 750m away on foot. A free shuttle bus, stopping 230m from the chalet, takes you to the snow front and the start of the ski lessons in a few minutes.
