Description

Located just a 10-minute walk from the resort centre and only 100 metres from the Rochebrune slopes, Chalet Whymper's location is hard to beat. Set over four floors, this impressive property provides spacious open-plan living with luxurious furnishings, light fittings and fabrics throughout.
The main living space is located on the first floor. Elegantly designed, the open-plan space features picture windows that flood the room with natural light. A fireplace divides the cosy living area, which opens out onto a balcony, from the stylish dining area which is decorated with faux fur throws and features a striking lighting arrangement suspended above the table. There is also a well-equipped modern kitchen for meal preparation. Chalet Whymper is able to accommodate 10 adults and 2 children across six spacious bedrooms.
On the top floor is the stunning master suite with a free standing bath in the bedroom, a walk-in dressing room and an en-suite shower room. An office is also located on this level - ideal if you need to keep an eye on e-mails whilst you are away. There are a further four double bedrooms on the ground floor, along with a bunk room sleeping two children. Three bedrooms have en-suite shower rooms whilst two share a bathroom.

After a day exploring the wonderful town of Megeve, Chalet Whymper's delightful spa area will be a welcome sight. Here you will find a relaxation area with day beds, an indoor pool and a sauna. If you still have energy to burn then there's a small fitness area. Other facilities include a garage, laundry room and ski room.
