Description

Located in Courchevel 1850, in the Chenus district, Vermont is a family chalet in a peaceful setting surrounded by fir trees, with wide views of the Courchevel slopes.
Chalet Vermont can accommodate up to 9 people in a beautiful 200sqm area. It offers 4 bedrooms, including 3 doubles and 1 triple. Each room has an en-suite bathroom or shower room, as well as a balcony.

The top floor hosts the living area, with a separate kitchen, a vast dining room and a living room warmed by a fireplace dressed in local stone. To enhance the chalet's authenticity, neither too rustic nor too contemporary, the interior fittings are simple and warm.

An outdoor terrace, with a Nordic bath, awaits you for après-ski relaxation. The chalet also includes a ski room with boot dryer and outdoor parking spaces.
Close to the chalet, the Slalom slope takes you to the centre of Courchevel, and the start of the lifts to the 3 Vallées ski area. You'll also benefit from the proximity of the ski school, the children's snow garden, and all the shops and services you need for your stay.
