Description

Beautiful private hotel with 10 bedrooms located in the medina of Marrakech. Household staff, breakfast, massage room, Hammam, roof terrace and heatable pool.

Villa Kasmia is a brand new private hotel ideally located in the medina of Marrakech. Easily accessible by car, it harmoniously blends modernity and Moroccan art. This quiet place, in contrast with the effervescence of the old city, can accommodate up to 20 people. This light-filled property is fully air-conditioned/heated and has a lift. It is a perfect place for an incredible stay in Marrakech.

The villa offers beautiful, comfortable and tastefully decorated interiors.
It has 10 luxurious bedrooms, each of them has been designed with a particular atmosphere and has a special character that is sure to seduce you.
The Zaafran suite, for example, evokes the palette of ochres that symbolise Marrakech so well, while the Cédrat suite plunges you into the freshness of the citrus fruits that line the avenues.
The bedrooms are equipped with comfortable bedding, decorated with light and vaporous linen, handcrafted cane-work for a touch of modernity and refinement, and oriental taffetas to enchant you ... A call to the senses for a complete change of scenery.
Guests can also enjoy the Spa, which is designed as a living space and offers four modular cabins for isolation or for sharing this interlude with two, three or four people.
The relaxing herbal tea room, where comfort rhymes with silence, is the ideal place to enjoy the villa's signature tea, with its delicate scent of fig and honey.
The residence also offers a spacious Hammam, where scrubs and wraps precede massages to let go and find yourself in complete tranquillity.

Outdoors the roof top is characterised by blue cement tiles and huge Kiria curtains, creating a blue and white world that reminds the vast expanses of the Mediterranean coast.
The welcoming pool area offers the perfect place to refresh and relax.
There are also comfortable deckchairs and sofas, ideal for enjoying a break or an aperitif.

Guests will benefit from the services of a housekeeper for the bedrooms, a cleaning lady for the whole property and a waiter for breakfasts, lunches and dinners.
A chef will also be at their disposal to help them discover the most gourmet of Moroccan cuisines.

Note: Guests are not allowed to cook at the property. Only meals prepared and ordered from the Chef can be consumed in the property.

The villa is incredibly well located at the gateway to the medina.
Guests will be only a few steps away from all the most famous palaces, sooks, and squares of Marrakech.
