Description

Luxury beachfront villa with pool - standing proud on the beachfront overlooking the Mediterranean sea, this majestic period villa with direct access to two beaches is within walking distance of St Aygulf's shops and restaurants and a short drive from St. Maxime and St Raphael.

This is a classic, comfortably furnished Belle Époque seaside villa. High ceilings, grand fireplaces, marble floors and ornate chandeliers contribute to the elegance of Villa Tamaris, whose original features have been brought up to date with all modern comforts, including air conditioning and sauna. Large south-facing terraces extend the living space into the Mediterranean garden offering a unique viewpoint over this unspoilt stretch of coast.

At either end of the garden is a path with steps leading to a couple of small sandy and pebble beaches, whereas the longer sandy beach of Les Issambres is just 5 km away in the direction of St. Maxime. Villa Tamaris would make an excellent base to start your explorations along the French Riviera, either by ferry or by car following the coastal scenic route known as “La Corniche”. Whether you decide to head east towards Cannes, Nice and the Cote d’Azur or west towards St. Maxime and St. Tropez, you have the entire coastline within easy reach. All along the coast are many seaside resorts and beaches offering a wide range of water sports and entertainment to suit everybody's taste.
