## Description

Beautifully renovated Chalet, with open mountain views. A south-facing terrace with outdoor jacuzzi and a comfortable chalet for 14 people. It also benefits from a private shuttle to take you directly to the slopes of the 3 Vallées.

Here are the major advantages of the Etoile des Neiges Chalet. Its large bay windows open onto the wooded landscape, with no construction obstructing the exceptional view from the interior and the terrace. Located in the quiet area of Mussillon, the chalet is 250m from the resort's free shuttle bus and 5 minutes from the resort centre.
The Chalet is laid out on four levels and can accommodate 14 people thanks to its 5 bedrooms and en-suite dormitory.

The ground floor houses a ski room, a garage and an independent WC.
The first level has four bedrooms, including an en-suite dormitory.
The second level features a large living room with fireplace, opening onto a terrace with views of the Méribel peaks.
A fully equipped kitchen opens onto the dining area for convivial moments. You'll also find a ski room and cloakroom with WC.
The master bedroom with its south-facing terrace completes the Chalet on the third floor.
On the fourth and top floor of this Chalet, you'll find a final bedroom with a cosy atmosphere.
Perfect for a family with its double and single beds.
After skiing, relax in the sauna and outdoor Jacuzzi.
