Description

Chalet Daria is a stunning luxury catered ski chalet sleeping up to fourteen people, set in one of the most sought after locations in Val d'Isère. Exclusively designed and built for Hip Hideouts in 2016, Chalet Daria has to be one of the best luxury catered ski Chalets here in Val d'Isère. Seven en-suite bedrooms, an indoor swimming pool, a Hammam and a massage room combine with local stone walls, reclaimed wood beams and inspiring interiors to deliver a special and luxury chalet.
Chalet Daria doesn't compromise on location either with a ski in, ski out position and a resort chauffeur service that is offered until 22:00. This is the perfect catered ski chalet for two or three families, large groups of couples or corporate groups looking to organise a luxury ski holiday to Val d'Isère.

Chalet Daria is proudly set over five levels. The main entrance is on the west facing side of the chalet and leads straight into the cloakroom and ski room. All the bedrooms in this luxury chalet are ensuite and feature reclaimed wood and natural Vanoise stone tiles. On the ground floor there are two large bedrooms which can both be configured as king or twin bedrooms.Three more bedrooms can be found moving up to the next floor, one of which has a stunning south facing balcony and all can be arranged with a king or twin beds.The main living area is on the second floor and is truly spectacular, with towering double height windows bathing the living space in Val d'sère's afternoon sun. The fireplace creates a focal point for the room which also features a wide heated terrace delivering some of the most privileged views in Val d'Isère.

Dining is a special event in any luxury Chalet, but in Chalet Daria there is a band of windows above the dining table which means the mountains accompany diners from above. The higher floor provides a large mezzanine area where you will find a place to relax and is perfect for children to play in the evening. Returning back to the lowest level you will find two further bedrooms, both of which can be configured as kings or twin bedrooms. On this level you will find soothing spa facilities which include a swimming pool with contraflow system, a Moroccan Hammam and a massage room for in-house treatments. There is also a large covered parking area for up to three cars.
Chalet Daria is offered on a catered basis with your very own private chef, chalet hosts and resort chauffeur service, taking care of you during your luxury stay with us in Val d'Isère. Our staff are some of the finest in the industry and many have a background of delivering to the highest standards on super-yachts, in five star hotels and Michelin starred restaurants; totally obsessed with service and passionate about what they do.

When you arrive at your ski chalet, slippers will be ready and you'll be greeted by professional and happy staff eager to ensure you have an unforgettable luxury ski holiday with us here in the Alps. Throughout the week you'll be spoilt with beautiful daily breakfasts, afternoon teas and treated to an elegant three course dinner on five of the evenings, as between every knife and fork, magic awaits. If you need a tailored children's menu and early dinner for the littlest skiers, we've got it covered.
