The open-plan living space maintains a traditional feel whilst being both modern and elegant. The use of soft wooden tones and large expansive windows gives the space a bright and spacious feeling, perfect for extending your mountain experience long into the evening. Alongside the incredible attention to detail and magnificent views, the living space includes an impressive dining table with an ornamental chandelier, a cosy sofa area, and well-equipped kitchen space.

Perfect for unwinding after a long day on the slopes, the chalet's inviting spa area has both a hot tub and sauna. Alternatively, spend the evening in the chalet’s extensive games room, playing pool, poker or darts; or enjoy a well-deserved drink after your day in the mountains. Chalet Ganga also features a TV room, creating the perfect space to keep the children entertained.

Accommodating 16 guests, this modern chalet has eight en-suite bedrooms, six of which have balcony access, providing incredible panoramic views over the mountain peaks.
