## Description

Domaine des Valcros is the labour of love of its well-travelled owners who fell in love with this enchanting area many years ago and after ten years of memorable holidays, decided to build their own beautiful home there. What they have created is remarkable and everything you could dream of for a stay in the South of France exquisite interiors, sweeping countryside views and a stunning infinity pool, all set in four hectares of lush terraced gardens, and all just a 30-minute drive away from Cannes and Grasse.

With seven en-suite bedrooms across three floors, stylish living spaces, a wine cellar and cinema room, there is something for everyone whether you are staying with family or friends. Children will love the tree-house outside, playing boules or exploring the varied gardens with fig, olive and cherry trees and the sweet scent of lavender.

Walk down the grand stone steps to the magical swimming pool with far reaching views all around you, take a rest in the shade of the covered poolside lounge area or bathe in the glorious French sunshine. Long evenings can be spent under the star-filled sky on your large al-fresco terrace with barbecue, which leads straight off from the elegant kitchen and overlooks the magnificent pool.

Despite the tranquillity of the surrounding countryside, you are only a five-minute drive from the nearby hilltop village of Montauroux, nestling in the trees and a true hidden gem with pretty restaurants, a bakery, market and small grocery shops. The village was much loved by Christian Dior who built a château as a holiday home not far from Domaine des Valcros, and which is now the private estate for Christian Dior Parfum and where A-list celebrities are often spotted mingling in style.

There is a whole host of activities within a short drive from horse-riding, biking and hiking as well as boating and swimming in Lac de Saint Cassien. It's a golfer's paradise here with a range of courses nearby including the prestigious Terre Blanche and for a unique experience, one of the world's best gliding schools just minutes away in Fayence. In addition, you are just a forty-minute drive from the Mediterranean coast with charming Saint-Raphaël and the glamour of Cannes, both so near.

This really is a Provençal paradise, a very special home in an idyllic location so close to charming hilltop villages and stunning scenery. It's the perfect place to explore this wonderful part of southern France if you can bear to leave your splendid and relaxing surroundings.

There is a village, farmer's market and so many activities all within a short drive, so a car is recommended, or you can hike to Montauroux in about 25 minutes along an uphill road and track, if you're sporty!

Charming Montauroux is just a few minutes by car; this medieval hilltop village is much loved by Christian Dior who donated a chapel and built his own residence nearby Cannes, Grasse and the beaches of charming Saint-Raphaël are all only a 40-minute drive away
