Description

In Saint-Tropez, nestled in the peaceful and leafy Capon district, Villa Kezia invites you to embrace a rare experience, sheltered from prying eyes and far from the hustle and bustle. Picture a 7,500 sqm garden filled with Mediterranean trees and towering palms, where the art of hospitality is elevated to new heights.
Spanning 1,000 sqm, this remarkable property unfolds with a natural sense of elegance, where every detail feels designed to make your stay effortless. Here, luxury is discreet, blending into light-filled architecture with pure lines and wide-open horizons.

Nature is ever-present, flowing seamlessly between inside and out, shaded terraces, large bay windows, sweeping views over the hills and the glittering Mediterranean beyond. The garden becomes a sanctuary, the house a promise of peace.
Behind its white facades, Villa Kezia reveals thirteen bedrooms, ten of which can be configured to suit your needs. The main house comprises of a large and comfortable living room, a separate dining room, a TV room, a well-equipped professional kitchen, a basement laundry room, a guest WC and 4 bedrooms all of which have en-suite facilities.

There is in addition a guest house, some 50 metres from the main house which features 4 additional bedrooms & two studios, all with en-suite facilities and all decorated and furnished to the same standard as those in the main building. Finally, with a separate access in the main building there are staff quarters or an additional three bedrooms, which could work for teenagers or staff. It also has a small kitchenette/living area.

Each bedroom comes with its own bathroom, and all reflect a timeless, understated sophistication & noble materials, clean lines, and light that brings every detail to life.
Thoughtfully designed to welcome families, friends, or privileged guests of up to twenty-six, the villa combines generous spaces with a warm, convivial spirit. The spacious living opens onto the terraces, the summer dining area seems to float between sky and sea, and the professional kitchen is ready to bring any culinary idea to life. A wine cellar, mini football table, a top-tier billiards table, and a private cinema ensure every moment is well spent.

Far beyond a holiday home, Villa Kezia is a home of wellbeing. A dedicated zen space offers a true escape such as hammam, sauna, massage room, everything here invites you to slow down and reconnect.
For those who crave movement, a sunlit gym facing the gardens offers the perfect setting. And for those who love the game, the tennis court, just a stone’s throw from the sea, promises unforgettable matches against a Mediterranean backdrop.

Outside, the heated swimming pool melts into the horizon, lined with loungers, parasols, and blonde wood terraces where one can enjoy a drink as the sun sets. The ever-present view invites contemplation.

For your convenience, three electric scooters are available, taking you within minutes to Place des Lices or the sands of Canoubiers beach. The housekeeper discreetly ensures the home runs perfectly, while the state-of-the-art security system provides peace of mind.
