Description

Villa Sophie is cited high on the top of a rocky hill and enjoys a 360° view of Delos, Ornos and Mykonos town while also features front row to summer sunset.

The luxury villa is designed in line with the Cycladic norms and harmoniously blends in with the local stone and rough elements of dry vegetation. The outdoor area offers a variety of lounge and dining areas while its location offers panoramic views like an eagle nest.

The interior is unpretentious, island chic and offers a relaxed and cozy aura, ideal for rent by families and group of friends looking to relax while still being close to the cosmopolitan side of Mykonos. The choice of fabrics, furniture and colours underlies the sophisticated taste of the owners and offers the set to truly enjoy its spaces and amenities.
