Description

Villa Pavilion, is a newly designed, eco-friendly villa of 195 sq.m located near Heraklion, the capital of the island, on a bay overlooking the city. The villa is comprised of two levels and it can host up to 6 people.

On the first floor there is the Master Bedroom en-suite offering also a spacious Jacuzzi bath, ideal to relax and enjoy the view through the window with a glass of wine. Its main feature is the amazing view of the horizon & the sea from every corner of the bedroom, which entices you to lose yourself with your partner.
Two more bedrooms individually designed & furnished offer you relaxation & comfort. The main bathroom with shower services the extra bedrooms. All bedrooms are equipped with CocoMat natural full latex anatomic mattresses & beddings to offer the ultimate sleeping experience.

On the ground floor you will find the luxurious open space living room & kitchen area with hand picked, stylish sofas & specially made furniture for you to enjoy the splendid views & share moments with your friends or family. The ideal space for private dinners or drinks with your beloved one.
Free wireless Internet is offered throughout the premises along with a tablet, music set, DVD player & satellite TV's to service all your needs. The kitchen is fully equipped to allow you to prepare anything you wish for you or your company.

The outdoor area of the villa consists of a beautiful garden with stone walls, open air kitchen, a large BBQ area with a dining area & an external toilet & shower. The unique element though is the beautiful private pool, which offers you hydro massage (whirlpool) and foot air massage to complete the feeling of seclusion and luxury. The private Hamam will complete the overwhelming experience. The external area is your unique space to pamper your body & soul and enjoy the sunny climate of the island days and nights.
There is also a private, secure parking area for the guests of the villa with remote control entrance gate.
