Description

Florence is more popular than ever, with 16 million visitors pouring in each year attracted by its architectural heritage – one of the richest in the world – and its renowned food culture. The city is a pulsing open-air museum and offers sophisticated shopping and a plethora of exceptional dining choices as well. In the middle of it is Pitti, an exclusive deluxe prestigious apartment ideally located in the historic city centre This unique property occupies the first floor of a historical building with an elevator and features four elegantly furnished en-suite bedrooms. Pitti is a real dream home, refined and very comfortable, with all the famous monuments just a few steps away.

The recent makeover and refurbishment of Pitti was assigned to the wise hands of an on-trend Florentine designer, who transformed this old apartment into a stylish luxury residence. This chic apartment exudes comfort, thanks to two spacious dining areas, a fully equipped kitchen, and a well-designed bright living room with access to a balcony that overlooks one of Florence's major piazzas. During the renovation, wonderful and authentic frescoed walls and ceilings were discovered in some parts of the apartment; it was decided that these remain intact, in order to conserve the signs of the time and the mix of various ages, and also to use them as a basis for creating a dominant colour palette for the various rooms. Thanks to that decision to preserve the old soul of the apartment, history and modern luxury now come together very harmoniously

Florence, a medieval city of timeless artistic beauty is there to be discovered. The beautiful Cathedral of Santa Maria Del Fiore, the Basilica of Santa Maria Novella, the Pitti Palace, and Ponte Vecchio are only few of the city's most famous architectural masterpieces. Check at least one of its museums – we like the Academy of Fine Arts, which houses Michelangelo's superb David. Stroll the narrow streets of Florence, the cradle of the Renaissance, and marvel at the richness of this real open museum. Enjoy a cappuccino on one of its piazzas, or a colourful gelato to cool off the summer heat. Whatever you do, don't pinch yourself…you are not dreaming!
